*Level 1 Approval	TOTE Maritime	Described as approval within TOTE Maritime. Contact hazardousak@totemaritime.com or (253-449-2112) for northbound. For Southbound, contact anc.haz@totemaritime.com or (907-265-7255). Loads are required to adhere to the approval, booking, and in-gate cutoff times as described in the table of the Dangerous Cargo Manifest and Noteworthy Hazardous section.
** Level 2 Approval	TOTE Maritime and Vessel Master	In addition to Level 1* requirements, product requires the additional approval of the Vessel Master for shipment. Response time may be up to 24 hours. Loads are required to adhere to the approval, booking, and in-gate cutoff times as described in the table of the Dangerous Cargo Manifest and Noteworthy Hazardous section. Additionally, Northbound cargo must only in-gate into the Tacoma Terminal between 1600-1800 hours day of sailing.

Class	Primary or Subsidiary Class #	Packing Group	Hazardous Materials Acceptance Guidelines
