

## TRADE NOTIFICATION

### VIRGIN ISLANDS - BUNKER FUEL CHARGE

**April 2, 2026**

After reviewing the costs of our delivered LNG, TOTE Maritime Puerto Rico will be adjusting our tariff bunker fuel levels as follows based on date of vessel departure:

|                                       | <b><u>Present</u></b> | <b><u>Effective<br/>5/1/2026</u></b> |
|---------------------------------------|-----------------------|--------------------------------------|
| <b>To / From:</b>                     |                       |                                      |
| <b>Jacksonville</b>                   |                       |                                      |
| 20' Containers                        | \$455                 | \$481                                |
| 40' / 45' Containers                  | \$882                 | \$922                                |
| Automobiles – Not Exceeding 900CFT    | \$261                 | \$287                                |
| Self-Propelled Units – Minimum 90SQFT | \$725                 | \$751                                |

We will continue to closely monitor bunker price trends and will adjust accordingly. If you have any questions regarding the application of the Bunker Fuel Charge for contract holders, please do not hesitate to contact your TOTE representative.
