Except as otherwise specifically provided, all rates and charges set forth in this tariff will be subject to an increase of 4.75% as follows: (See NOTES 1,2,3,4,5 and6)

ITEM
NO.

10

First determine the rate or charge which would apply except for this Supplement, then increase the rate or charge so determined as provided in this Supplement.

NOTE 1: Increases published in this Supplement will also apply to rates and charges issued subsequent to this Supplement, made subject to this Supplement, effective on date provided therein.

NOTE 2: Where a through rate is made by combining two or more factors, each is increased separately under the provisions of this item and the applicable through rate is the total of the combined factors.

NOTE 3: Where rates or charges are published in dollars and cents, apply the equivalent in cents.

NOTE 4: To determine a rate or charge increased under this Supplement, first determine the applicable rate or charge, then increase that rate or charge by 4.75%. To arrive at such increased rate or charge, multiply rate or charge by 1.0475. Fractions of less than ½ cent will be dropped. Fractions of ½ cent or more will be increased to the next whole cent.

NOTE 5: Rates made by addition or deduction of arbitraries:

Where a through rate for line-haul transportation is made by addition or deduction of an arbitrary, the provisions of this Supplement shall first be applied to the rate and to the arbitrary before the addition or deduction of such arbitrary is made.

NOTE 6: Reference to Tariffs, Items, Notes, Rules, etc.

Where reference is made in the supplement to Tariffs, Items, Notes, Rules, etc., it is understood that such reference is continuous and includes supplements to or successive issues of such tariff and subsequent issues of such Items, Notes, Rules, etc.

All provisions of this supplement expire with November 9, 2019

APPLICATION OF RATES

160

A. General:

Rates named in this tariff apply only on shipments having a prior or subsequent non-domestic movement.

The rates named herein are applicable subject to the special rules and conditions of this tariff and to the conditions of the carrier's shipping receipts and straight bill of lading. All charges payable in United States of America currency.

Rates named herein include all costs of loading and unloading carrier's vessel, including wharfage and handling at Tacoma, Washington or Anchorage, Alaska.

Rates and/or charges named herein include pick-up and/or delivery service, subject to arbitraries named in Item 342 and Item 750 of STB TOTE 100 Series tariff.

Rates named herein from or to Tacoma, Washington will only apply from or to the carrier's scheduled port of call.

B. Exempt Commodities:

Certain commodity rates named in this tariff are not regulated by the Surface Transportation Board, as set forth in 49 U.S.C. 10526 and further defined in 49 CFR 1047.25, including ordinary livestock, fish and used empty shipping containers. These rates are published in this tariff for informational purposes only, however, charges named in this tariff are offered to the shipper along with the applicable rules and notations.

Acceptance by the shipper of this offer will constitute the terms and conditions for movement of commodities exempt from regulation by the Surface Transportation Board.

C. Proportional Commodity Rates: (Section 2 and Section 3) Proportional Commodity Rates named in Section 2 and Section 3 set forth the proportional rate between Tacoma, WA and points in Alaska for service between points outside the United States, and points in Alaska under provisions of transshipment agreements listed in Item 978 and are published in this tariff for informational purposes only. For through commodity rates named between points outside of the United States and points in Alaska refer to tariffs filed by or participated in by individual carriers named in this tariff, or in the conference tariff of which they are a member, if applicable.

NORTHBOUND AND SOUTHBOUND MOVEMENTS WITHOUT BENEFIT OF CARGO

- A. Empty equipment may be transported northbound to Carrier’s Anchorage Terminal at no charge if shipper annotates the bill of lading that the equipment is transported northbound for southbound cargo. (see Note 1 Exception to Item STB TOTE 100 series tariff Item 910 storage at destination)
- B. Shipper owned equipment that is transported northbound to points in Alaska without benefit of cargo (as provided above) for the purpose of returning southbound shipments will be subject to additional charges as set forth in this Paragraph B, if the subsequent southbound move is also without benefit of cargo.
Shipper owned equipment that has been positioned to arbitrary points named in Item 342 of Tariff STB TOTE 100 series will be charged the applicable arbitrary if the trailer/container is returned southbound without benefit of cargo.

If shipper owned equipment has been placed in Anchorage beyond Carrier's terminal for southbound loading, a charge in accordance with Carrier Tariff STB TOTE 100 series Item 750 shall apply to each trailer/container that is returned to Carrier's terminal in Anchorage, Alaska.
- C. If shipper owned equipment has been shipped Northbound empty under the provisions of Paragraph A and does not return south via Carrier within 150 days of the Northbound placement, then the following will apply:
 - 1. A charge of (A) **\$7,888** per container/trailer for northbound transportation.
 - 2. If drayage was provided by Carrier for such containers, the charge for the drayage outside of Anchorage, Alaska will be as provided in Item 342 of Tariff STB TOTE 100 series.
 - 3. If Carrier provides other terminal services, to include terminal plug-in service, pretrip or trailer wash and up to 7 days of refrigerated storage then an additional charge in accordance with Carrier Tariff STB TOTE 100 series Item 910 shall apply.
- D. When Carrier is asked to place empty connecting carrier equipment (container and chassis or trailer) to points beyond Anchorage without benefit of cargo, intentioned for southbound loads, the following provisions will apply:
 - 1. If the empty equipment can be transported paired with loaded equipment which is destined for the same point beyond Anchorage, the connecting carrier equipment will be positioned at no charge.
 - 2. When the empty equipment cannot be transported to the point beyond Anchorage with loaded equipment which is destined for the same point, then the charges in Carrier’s STB TOTE 100 series Item 342 will apply:

Note 1 Exception to Item 910: Anchorage storage charges will not apply provided such equipment returns southbound on Carrier with revenue cargo. If equipment is returned empty the provisions of C. will apply.

PAYMENT OF CHARGES – TERMS

If credit has not been approved by Carrier's Credit Department, payment is due prior to release of freight at destination by Carrier. All payments must be tendered to carrier by the use of U.S. currency (cash), cashier's check, certified check, or bank wire transfer, but not by means of a personal or company check.

720

If credit has been approved by Carrier's Credit Department, payment must be received by Carrier within fifteen (15) calendar days from the date the freight sails from the port of origin. Upon approval by Carrier's Credit Department, this credit period may be extended to thirty (30) calendar days; and payments due must be received no later than 30 days from the date the freight sails from the port of origin.

Should carrier prevail in arbitration, litigation or other dispute resolution process the party that is liable for the freight and other lawful charges (e.g. consignor, consignee or beneficial owner) shall be liable for, and shall pay the carrier, all reasonable attorney's fees and costs incurred by the carrier for any action that must be taken by the carrier to collect the freight and other charges.

(D) # A returned check fee of one hundred dollars (\$100) per check returned by the applicable financial institution due to non-sufficient funds, closed count notifications and/or stop payment.

PORTS BETWEEN WHICH SERVICE IS OFFERED

Carrier provides service between the ports of Tacoma, Washington and Anchorage, Alaska by direct vessel call. Service to or from out ports named in Item 342 of Tariff STB TOTE 100 series is provided through participating carriers named in this tariff and applies only in connection with proportional rates named in this tariff.

PRIOR RESERVATION OF VESSEL SPACE

Shipments of northbound freight will only be accepted subject to prior reservation of vessel space, confirmed by Carrier or an agent of Carrier. (See NOTES 1 and 2)

Reservation of vessel space is not a guarantee that the cargo will move on a specific sailing, although every effort will be made to do so. The carrier reserves the right at all times to load and stow cargo in the most feasible method possible. All cargo, however, will move with reasonable dispatch, once it is made available to the carrier.

The carrier at all times reserves the right to load cargo in trailers, on or below deck or in vessels at its discretion.

When shipments forwarded prior to confirmed reservation of vessel space, through no fault of the carrier, accrue demurrage or detention charges from the delivering carrier, such charges will be for the account of the shipper, consignee or beneficial owner of the freight.

775

NOTE 1: Northbound

Shipments moving under provisions of Section 2 will be accepted by Carrier only when prior arrangements have been made to book space aboard Carrier's vessel prior to interchange of cargo at Seattle or Tacoma, Washington. The bill of lading for each trailer or container shipped must reference the appropriate voyage and booking number.

NOTE 2: Southbound

Shipper, consignee or owner of cargo must make arrangements to book space on participating carrier's vessel (See List of Ocean Carriers in this tariff) prior to sailing at Anchorage, Alaska aboard Carrier's vessel). Carrier must notify participating carrier of cargo booked to participating carrier's vessel indicating date of cargo readiness at Anchorage, AK. The participating carrier must provide Carrier with written confirmation (letter or email) that booking has been confirmed.

Such confirmation must include reference to origin, destination, voyage number, name of participating carrier's vessel and scheduled date of departure from port of Seattle or Tacoma, Washington. If the shipment arrives in Tacoma, Washington prior to assignment of confirmed booking for space aboard the participating carrier's vessel the shipment will be subject to the provisions of Tariff STB TOTE 100 series Item 910.

RATE CHANGE EFFECTIVE DATE

815

Tariff changes will apply on all shipments received by carrier on or after the effective date of the tariff change, as evidenced by the carrier's applicable bill of lading.

STOPOFFS FOR STORAGE

Applies only in connection with refrigerated or frozen cargo moving under provisions of Section 3 of this tariff. TOTE Maritime Alaska, Inc. may interchange cargo with ocean carriers list via public storage facilities subject to the following provisions:

905

1. Cargo may be delivered directly to public storage facilities.
2. Shipper or his agent is responsible directly to operators of the storage facility for handling-in and handling-out charges, storage charges, insurance charges while cargo is in storage and any other charges incidental to the storage-in-transit operation.
3. Shipper assumes full liability for package/piece count and cargo condition while cargo is in storage.
4. No substitution of cargo is allowed between the time shipment is delivered into storage and time shipment is removed from storage.
5. If a shipment or a portion of a shipment is diverted to a domestic point by shipper, owner or consignee of cargo, the entire shipment shall be considered as a domestic shipment and the rates named in this tariff shall not apply.
6. Diversion charges as set forth in Item 820 of Tariff STB TOTE 100 series will not apply in conjunction with the provisions of this item, (Storage in transit) Anchorage, Alaska and destination port.

Item 1240 Provisions:

NOTE 4: VALUATION, RATES CONDITIONED ON:

- A. Rates published in this Item are based on a released value not exceeding 10 cents per pound (NMFC 100240 Sub. 1).

The release, which shall be deemed to relate to each article separately and not to the shipment as a whole, must be entered on the shipping order and bill of lading as specified in the Governing Classification.

- B. Should the shipper choose to ship at a released value exceeding 10 cents per pound, such value must be entered on the shipping order and bill of lading as specified in paragraph A, and will be subject to the following provisions:

RELEASE VALUE	PERCENT OF RATE TO BE APPLIED
Exceeding 10 cents but not exceeding 20 cents per pound	125%
Exceeding 20 cents but not exceeding 50 cents per pound	150%
Exceeding 50 cents but not exceeding \$2.00 per pound	200%
Exceeding \$2.00 but not exceeding \$5.00 per pound	300%

(Application - multiply the applicable tariff rate for the shipment which would apply at and not exceeding 10 cents per pound by the percentage given to obtain the rate to be charged for such higher released value.)

- C. If shipper fails to state a released value on the shipping order or bill of lading, or designates a value exceeding \$5.00 per pound, shipment will not be accepted, but if shipment is inadvertently accepted, it will be considered as being released at the lowest valuation provided and shipment will move and be charged for, on the basis of such limitation of liability.
