Let us exceed your highest expectations.

Entrust your vehicle to TOTE Maritime.

TOTE Maritime's roll-on/roll-off vessels provide twice weekly service between the ports of Tacoma, Washington and Anchorage, Alaska.

Both of our Orca Class ships were built specifically for the challenging sea and weather conditions of the Gulf of Alaska – providing safe, reliable transporting of all kinds of vehicles.

Both the M.V. Midnight Sun and M.V. North Star feature two dedicated water-tight vehicle holds, keeping your vehicle safe from the elements.

TOTE Maritime Advantages.

- Dedicated water tight vehicle holds (weekly capacity of 600 vehicles)
- Roll-on/roll-off operation
- Designated vehicle yards in Tacoma and Anchorage
- Average dwell time in Port of Tacoma = <2 days
- Average 3 year damage ratio = <.08%
- Best on-time performance in the trade (99% 5 year average)
- 3 day transit both Northbound & Southbound

Let us exceed your highest expectations.

TOTE Maritime has a 99 percent on-time arrival record and leads the industry in quality and performance. We take extreme care in handling your vehicles every step of the way so they arrive in the same condition we received them.

Large or small, new or used, when you ship with TOTE Maritime, your vehicles are in good hands.

Four decades of serving Alaska.

Founded in 1975, TOTE Maritime has been serving our customers and the people of Alaska for over three decades. Both of our Orca Class vessels will soon be converted to liquefied natural gas engines – bringing the most advanced, environmentally safe technology to the Alaska trade.
