Let us exceed your highest expectations.

Approach Plates
Protects trailer when connecting roloc box

Coupler Extension Plates
Protects roloc box from getting caught in cross members

Side Rails
Protects trailer when stowing in yard and on vessel
Shipper-owned Equipment Guidelines

Totem Ocean's RO/RO service is very versatile and creates unique opportunities for our customers to ship their own equipment. While Totem Ocean encourages customers to take advantage of the program there are general equipment specifications to follow to make sure that your equipment is compatible with our vessel. The following guidelines will help ensure the equipment can be moved safer and with less damage.

**Wind skirts**
- Flexible material; not rigid
- Minimum 5” clearance

**Reefer**
Fuel tanks loaded behind landing legs

**Glad Hands**
Need protection

**Brake Cans**
2 per axle

**King Pin Placement**
Preferably 36”

**Belly Boxes**
Minimum 5” clearance

**Lashing Lugs**

No protection
Protection-lines recessed and articulated

Underside of trailer

Back of trailer
